## Incidents

On August 2<sup>nd</sup>, a storm came through Maynard creating a large call volume for Dispatch, Police & Fire. The personnel working during this storm did an excellent job prioritizing these calls, and handling the number of calls for service. Most notably the fire on Wood Lane.

On August 18<sup>th</sup>, an employee at Mill and Main Place reported graffiti in the parking garage. Detective Bodwell, and Officer Maskalenko began the investigation and two more acts of vandalism were reported throughout the process. Due to the efforts of several members of the Police Department the individual responsible was located.

On August 22<sup>nd</sup>, an elderly resident was reported as missing. The resident was then located in Connecticut.

## Community Outreach

Delia Donovan completed her summer long internship here at the Maynard Police Department. She assisted in Dispatch, helped with projects and administrative duties and observed Police Officers performing their daily routines. Thank you for your assistance this summer Delia, and good luck this year!

On August 9<sup>th</sup>, we had personnel from the Maynard Police Department, Maynard Fire Department, Middlesex Sheriff's Department, Acton Police Department, Stow Police Department and US ARMY NG at the Boys & Girls Club for a Public Safety Day for campers. Chief Dubois was able to put in a request for an ARMY NG Black Hawk to land at Alumni Field. Thank you to all of the agencies that participated, and thank you for inviting us! Positive interactions with the youth in our community, and surrounding communities is something we truly enjoy!

Throughout the summer, the Maynard Police Relief Association has been able to give several Maynard High School graduates scholarship money toward their studies in the coming school year. Congratulations to the recipients.
