Incidents

Chief Dubois issued a press release in regards to two recent fatal overdoses. If you have not had a moment to read the release, please visit our website.

The Maynard Police Department shared a recently released study, on the legalization of Marijuana. This is a topic that is incredibly relevant to many questions that we receive about the legalization of Marijuana. The study can be found on our website, and contains some very interesting information.

The month of March brought several winter storms to Maynard, with these storms there were many reports of wires, and trees down. Thank you to the Officers and Dispatchers that worked these incredibly busy shifts. We would like to thank the DPW for all of their hard work and long hours. Additionally, thank you to our residents for reporting the downed trees and wires so that we could notify the proper utility companies.

Community Outreach

Sergeant Duggan posted the opportunity for a free Basic Firearms Safety Course in March, the course garnered a lot of interest from residents, and it will be held at the Police Department in April. The class has been filled, but due to a large amount of interest we will be scheduling an additional course in the near future.

The 2018 Middlesex Sheriff's Office Youth Public Safety Academy dates, and application have been posted to our website.

The 2018 Maynard Police Department Youth Academy dates, and application will be available soon. Keep an eye out on our website and social media!

The Winter Parking Ban has ended.

In early March, members of the Maynard Police Department were thrilled to be welcomed to the Green Meadow School for the National Education Association's Read Across America! As always, it was a wonderful experience to read to the students.

Training

Sergeant Jones attended the FBI LEEDS conference in Providence Rhode Island March 26th, 2018 – March 30th, 2018.

MCSA (Massachusetts Communications Supervisors Association) hosted Gordon Graham at the International Golf Club in Bolton. Mr. Graham presented on Risk Management for Law Enforcement. The training was attended by Officers and Dispatchers for their State E911 Continuing Education hours.
