# Maynard Police and Fire Recognize Officer for Heroic Response During Motor Vehicle Crash

The Maynard Police Department and Maynard Fire Department would like to recognize Officer Joseph Noonan for his actions during a motor vehicle crash that occurred on Sunday, in which he rescued the driver, who was alone in the vehicle.

On Sunday, Nov. 16, at approximately 4:15 a.m., Maynard Police Officer Joseph Noonan was on patrol in the area of Great Road when a bystander approached him and reported that a truck had crashed into a utility pole.

Officer Noonan immediately responded to the scene and observed a blue GMC Sierra that appeared to have struck a telephone pole and had significant damage. Officer Noonan notified dispatch for additional assistance from Maynard Police and Fire.

While Officer Noonan was assessing the scene, he observed a small fire under the front engine bay of the vehicle beginning to form. Officer Noonan made contact with the operator of the vehicle, who was alert and conscious but was not following directions.

The vehicle quickly began to fill with smoke, and flames began to grow. Officer Noonan, through quick actions, pulled the operator from the vehicle's window within seconds of the car becoming engulfed in flames.

Maynard Fire responded to the scene and contained the vehicle fire.

The driver of the vehicle was evaluated by Maynard Fire and PRO EMS and declined transport.

As a result of Officer Noonan's quick, life-saving actions, Maynard Police and Maynard Fire would like to recognize his heroism in an emergency situation.

"This was great work by Officer Noonan, who saved the life of an operator during a high-level, fast-moving incident," said Maynard Police Sgt. Eric Davoll.

"Officer Noonan demonstrated extraordinary courage and composure under extreme pressure. His decisive actions reflect the highest standards of the Maynard Police Department and undoubtedly saved a life," said Police Chief Christopher Troiano. "We are proud of his service and grateful for his dedication to the safety of our community."

"Officer Noonan's actions this morning, without question, turned what would have been a fatality into a patient refusal," said Maynard Fire Capt. Travis Gross. "We would like to commend Officer Noonan for his actions above and beyond the call of duty."
