Ride Smart. Ride Safe. E-Bike Safety Matters!

As e-bikes continue to grow in popularity, the Maynard Police Department would like to remind everyone that safety should always come first.

Whether you're commuting, exercising, or simply enjoying a ride around town, following the rules of the road helps keep everyone safe.

Remember - Whether you're driving, biking, or walking, we all share the responsibility of making our roads safe. Slow down, stay aware, and look out for one another.

Training

Detective Sergeant Manchuso attended monthly NEMLEC training.

Officer Muraguri attended Advanced Motor Vehicle Law at the Grafton Police Department.

School Zone and Neighborhood Safety Reminder

As students return to school next month, the Maynard Police Department is reminding everyone to practice using extra caution when traveling through school zones and neighborhoods.

Here are a few simple ways to help keep our children safe:

- Slow down. Obey posted school zone speed limits and be prepared to stop at any time.
- Stop for school buses. Massachusetts law requires drivers to stop when a school bus has its red lights flashing and stop arm extended.
- Watch for children. Students may cross unexpectedly, especially near crosswalks, bus stops, and school entrances.
- Put your phone away. Avoid distractions and keep your full attention on the road.
- Yield to pedestrians. Always stop for crossing guards and people using marked crosswalks.
- Be patient. Expect increased traffic during morning drop-off and afternoon dismissal. A few extra minutes can make all the difference.

The start of the school year is an exciting time for students, families, and school staff. By slowing down and staying alert, we can all do our part to ensure everyone arrives safely.

Let's work together to make this a safe and successful school year for the entire Maynard community!
