# Community Outreach

Unfortunately, we would like to make you aware of a recent scam that has taken a significant amount of funds from several elderly residents in the area. These scammers will often pose as a representative from Microsoft and accuse the individual of using the “dark web”. They will offer to remotely access your computer and “fix” your computer by clearing any trace of “dark web” use. They will then demand that the individual purchase gifts from the local pharmacy or grocery store, and have the gift card numbers read to them over the phone. They will request gift cards in large amounts. We urge our residents to be very cautious of allowing anyone to remotely access your computer, never to purchase gift cards, send money orders or provide credit card/bank account information to anyone over the phone. Especially anyone accusing you of accessing the “dark web”. If anyone contacts you making these, or any similar claims please reach out to the Maynard Police Department at 978-897-1011 and inform them you believe you are being targeted for a scam.

The Maynard Police Department assisted with the privately organized 55<sup>th</sup> Christmas Parade! It was a great turnout.

Officer McCann met with the Maynard High School Track Team to discuss safety, most importantly visibility while they are running. The members of the Maynard Police Department were able to donate the funds to provide safety vests for each member of the team.

DPW will no longer allow Christmas tree drop off at the Maynard Boys and Girls club parking lot. They will be accepting Christmas trees at the Highway Garage, located at 38 Winter Street. Christmas tree drop off is only permissible on the following Saturday's in January 8th, 15th, 22nd, & 29th, from 8am – noon.
