

Maynard Police Department

Monthly Report

Michael Noble

Chief of Police

www.maynardpolice.com

Incidents

Unfortunately, we would like to make you aware of a recent scam that has taken a significant amount of funds from several elderly residents in the area. These scammers will often pose as a representative from Microsoft and accuse the individual of using the “dark web”. They will offer to remotely access your computer and “fix” your computer by clearing any trace of “dark web” use. They will then demand that the individual purchase gifts from the local pharmacy or grocery store and have the gift card numbers read to them over the phone. They will request gift cards in large amounts. We urge our residents to be very cautious of allowing anyone to remotely access your computer, never to purchase gift cards, send money orders or provide credit card/bank account information to anyone over the phone. Especially anyone accusing you of accessing the “dark web”. If anyone contacts you making these, or any similar claims please reach out to the Maynard Police Department.

On November 2nd, Ofc. Wellborn responded to 14 Digital Way for a hit and run accident report. Unfortunately, cameras did not record the incident, it is under investigation.

On November 5th, Officers responded to Russell’s Convenience for a report of a past disturbance. An individual entered the store yelling and threw several items. The individual was located, and a no trespass order was issued.

Community Outreach

The Florida Road Bridge project has begun and will continue for approximately two years. Florida Road will be closed throughout. Please seek alternate routes.

Chief Michael Noble and the Maynard Police Department would like to issue a warning for marijuana laced with fentanyl. The Connecticut State Lab recently confirmed the presence of fentanyl in a marijuana sample after numerous people who reported only using marijuana overdosed.

Mobile carriers plan to retire 3G networks beginning in early 2022 in order to allow for more advanced and reliable network services. As a result, some older phones and devices will lose call and data functions, including the ability to contact 911.

The Maynard Police Department Annual Toy Drive is up and running! The family sign up list is located in the Dispatch Center of the Maynard Police Department. Please provide proof of residency and for children 12 years old and younger. We're now accepting donations of new, unwrapped toys/essentials for children under age 12. Donation boxes will be located at the Maynard Police Department and various locations around town: Russell's Convenient Store, Maynard Nutrition, Middlesex Savings Bank and The Outdoor Store. Thank you for your kindness and support through the holiday season!

Overnight Winter Parking Ban starts on December 1, 2021, at 2 a.m. and goes until March 15, 2022! Please remember, this includes all Roadways, Sidewalks and Municipal Parking Lots.

With the holiday season fast approaching and more people shopping for gifts, Chief Michael Noble and the Maynard Police Department would like to provide tips to prevent theft for residents expecting package deliveries in the coming weeks.
