### STATEMENT OF CHIEF NOBLE REGARDING MISSING CHILD

At 1:13pm on July 19, 2023, Maynard Police Dispatch received a 911 call regarding a missing four (4) year old girl. All town units responded and began to search for the child. K9 units and drones were called in to assist the search. As more time went by without locating her, we called in additional support including the Massachusetts State Police Airwing. We also requested information from the community using social media and a reverse 911 call. Mercifully at 2:35pm she was located in a thick bush near her home.

I would like to extend my personal thanks to the NEMLEC K9 and associated units, Maynard Fire Department, Maynard DPW, Sudbury Police Department, Concord Police Department, Stow Police Department, and the Massachusetts State Police Airwing for their quick response and assistance. A special thanks to Chief Scott Nix of Sudbury for responding and assisting with the coordination of personnel during the search.

I would also like to recognize the members of the Maynard Police Department. Several officers came in off-duty and all on-duty personnel were involved in the search. The Dispatchers were tremendous in their management of all incoming requests and notifications during a high stress incident. This outlines the dedication of the Maynard Police Department to their community. Finally, I want to thank the public; so many from the neighborhood and Town came to assist in the search and it is great to see our community rally to help someone in need. I am proud to serve as Chief of Police in the Town of Maynard.

Respectfully,

  
Michael A. Noble  
Chief of Police
