Community Outreach

In November, our Clinical Coordinator Emily Black LICSW is working in collaboration with Police, Fire & Dispatch to continue educating Public Safety on Mental Health responses and calls in our community. We are always working to continue education and build our knowledge base for First Responders.

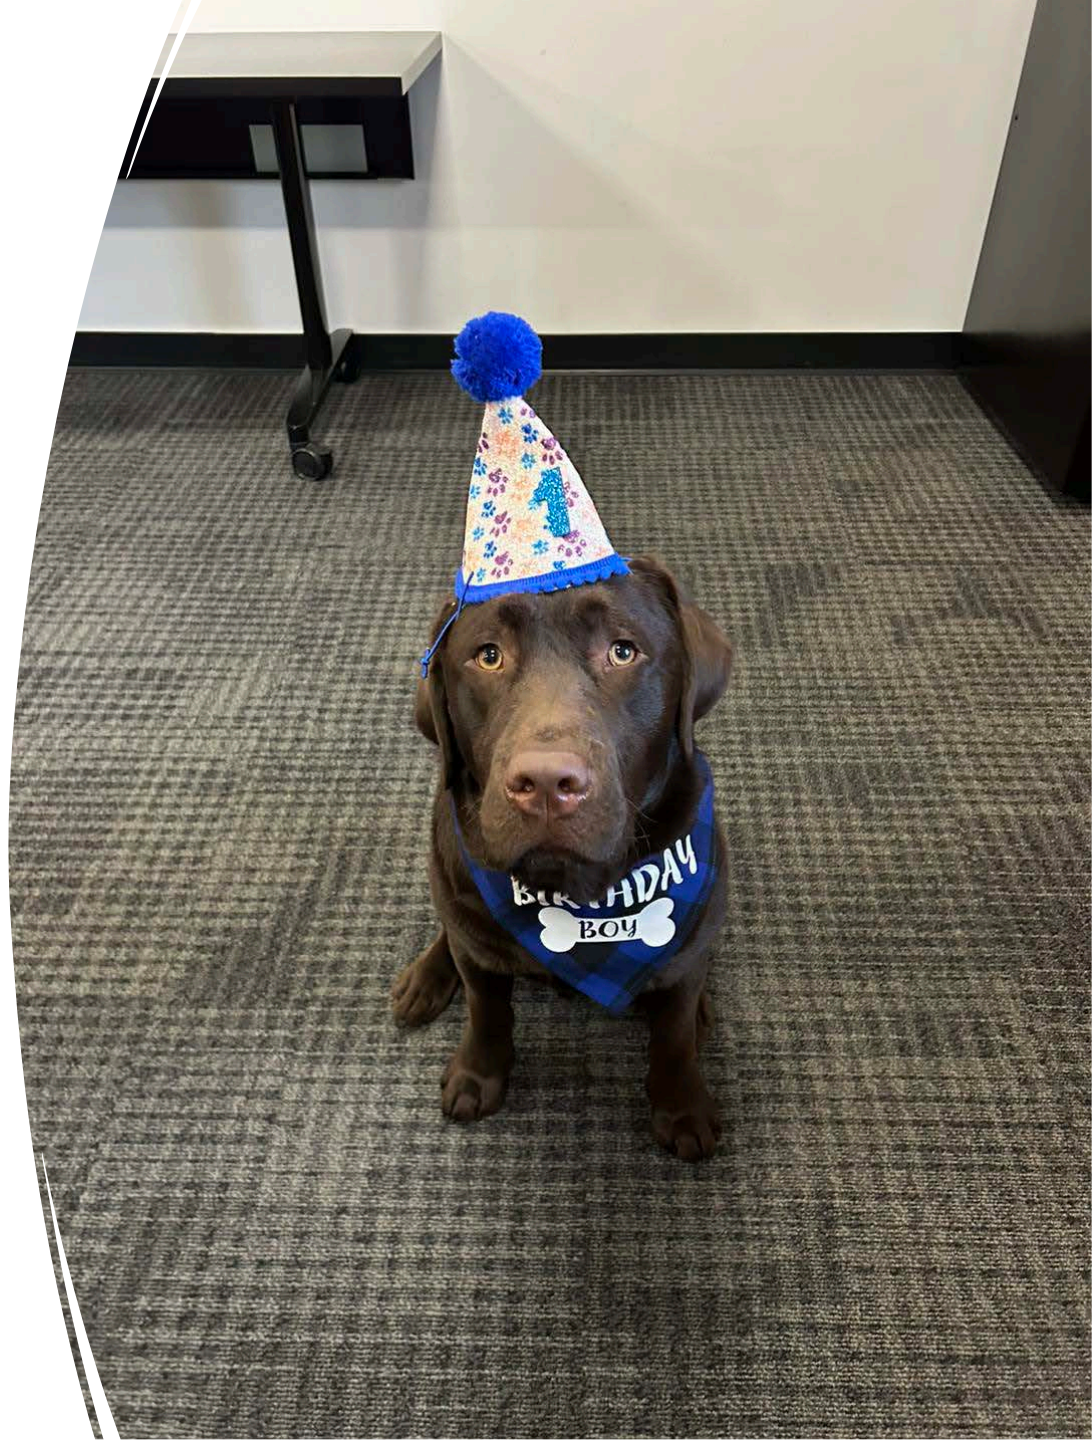

Clean water is “in the bag” if you do your part to dispose of yard waste properly. Blowing leaves into the street can clog storm drains and cause flooding. Rotting leaves also add extra nutrients to stormwater and local waterways, causing algae blooms, bad odors, and fish-kills. Thank you for doing your part to protect Maynard’s wetlands and waterbodies!

As you know we have run a program for many years to collect and provide toys to children in Maynard. This program has been a labor of love, and we have been able to bring smiles to many faces over the years. However, we have decided this year to change things up, and instead of running an independent program, we will be participating in a “Shop with a Cop” event held in December at Walmart in Framingham with several surrounding communities. We feel that being able to pair a child from Maynard with one of our Officers and allowing a child to choose gifts they have on their list is wonderful. Our School Resource Officer Allison McCann will be working alongside the Maynard Public Schools to identify families in Maynard that may need some extra assistance this holiday season. Participation in this event is based on the financial need of the family. Please note that you must sign up beforehand to participate in this event. We would also like to reach out to our community for cash donations to support this event. We would not be able to spread holiday cheer in the manner that we have for many years without the generosity of our residents, and local businesses. We continue to be thankful for this! If you would like to contribute, we will be accepting monetary donations at the Maynard Police Department. You can make checks payable to “Shop with a Cop”. This program is 501C3, with a Tax ID of 04-2597674.

Otis is ONE!

We would like to wish a very happy birthday to the Maynard Police Departments FAVORITE employee. It's okay, we all know it, accept it and agree!

He is 1, he spreads joy in our Police Department and our community each day. Happy Birthday to the best, Otis!
